List of
AGRICULTURAL OUTLOOK CHARTS

1943

Charts for Local Outlook Meetings

The charts in this list have been selected as those best adapted for presenting graphically the economic background for the respective commodities. These charts have been brought up to date so far as data were available. Copies of these charts in the wall-size, 30 x 40 inches, will be made by the Bureau on order for 25 cents each on blueprint paper, or 40 cents each on blackline paper. The source of the data for keeping these charts up to date, if available currently, is indicated in the list.

Other charts or maps issued by the Bureau of Agricultural Economics not included in the chart book or this list can be supplied at 75 cents each on bromide paper.
